## INSTRUCTIONS

**KOLKATA VAC****Changes to Visa Rescheduling Process with effect from January 1, 2025**

To make sure everyone has a fair chance at getting a visa interview appointment and to reduce wait times, we are making some changes. Starting January 1, 2025, you can still schedule your first nonimmigrant visa appointment at the location of your choice. If you need to reschedule for any reason, you will be able to do that one time.

If you miss your appointment or need to reschedule a second time, you will need to repay your visa fee to book a new appointment. Since wait times are long, please make sure you can attend on the date you have selected.

These changes will make it easier and faster for everyone to get appointments. We encourage applicants to attend their scheduled appointments to keep the process efficient and fair for everyone.

**For Interview Waiver Applicants**

**Documents can be only submitted on Appointment Date at below Locations ONLY. You should arrive at exactly the time of your appointment; you will not be permitted to enter the facility before the time listed on your appointment letter.**
